

Announcing New Inmate Telephone Services Provider

Securus Technologies will soon become our new inmate telephone services provider. Installation is currently underway at all locations with transition to the new system to begin on July 14, 2015.

To discuss payment options with Securus, please call 1-800-844-6591 or visit the Securus website at: <https://www.securustech.net/>.

Please be advised that during the cutover from the old to the new system, calls may be limited.
